How likely are you to enroll in the Fall 2014 Marine Biology Quarter?

☐ Certain
☐ Very likely but depends on my scheduling
☐ Interested, but not certain
☐ Outside chance

What is your background preparation? (Preference is given to graduating seniors and students with advanced training).
List all EE Biol courses you will have completed through Summer 2014. Include when you took or will take each course, and the grade you received in the courses completed.

Please compose a typed, double-spaced, 1-page personal essay that describes why you wish to participate in the Fall 2014 Marine Biology Quarter. As part of this essay, identify your most likely career, state why you have selected this career, and describe how you think your participation in the MBQ will relate to your pursuit of this career.
