- (4) Two (2) 2-unit courses count as one (1) upper division requirement on the major. A 6-unit course counts as one (1) course on the requirements for the major.
- (5) All courses must be taken for a letter grade.
- (6) The College of Letters and Science requires a total 60 upper division units for graduation (72 upper division units for students entering before Fall 1997).

Departmental Honors:
